

COVID-19 Vaccine Family Panel

with Dr. Laura

The COVID-19 vaccination is being distributed throughout Ohio and families have questions, particularly about people with developmental disabilities and the vaccine.

Dr. Laura getting her COVID-19 vaccine shot.

Join DODD Medical Director Dr. Laura Sorg and a panel of families for an online virtual event to learn more about the vaccines and have your questions answered at **4:00 pm on January 27, 2021.**
