## **Enterprise Challenge 2019**

The Enterprise Challenge is kicking off its 9<sup>th</sup> year and we invite you to be a part of the sponsor team to make it another successful year.

The Enterprise Challenge is an annual business plan contest for new and emerging companies in Kittitas and Yakima Counties. We believe it is a great way for the Kittitas County Chamber of Commerce and the Yakima County Development Association to celebrate small business and support promising ventures in Central Washington. With your support over 85 participants have started new businesses that are up and running throughout the region and employ more than 280 people in our community.

The goal of Enterprise Challenge is to help every entrepreneur involved in the contest advance or improve their business. Each participant in the contest receives a valuable business education, personal business coaching and networking with our business community. We offer a host of tools to help them evaluate their business premise and make tough decisions to meet their goals and vision.

The end result of all this effort is that your sponsorship translates directly into new homegrown business startups and jobs in your community.

Please find the sponsorship opportunities listed on the attachment. I look forward to talking with you about this year's Enterprise Challenge. You can reach me at 509-925-2002 or at [Laura@kittitascountychamber.com](mailto:Laura@kittitascountychamber.com) with any questions.

Thank you,
