

August 31, 2021

Fellow Republicans,

I'm excited to invite you to Winnemucca for the 2021 NRCC Fall Meeting and Officer Elections on October 16, 2021 at the Boys & Girls Club of Winnemucca!

Extraordinary times require extraordinary effort. I'm sure none of us thought our nation and state would go through the crisis, turmoil, and challenge of these past months: the 'pandemic', mandated lockdowns and quarantine, record unemployment and economic dislocation, election fraud and heavy-handed government overreach that one would not think possible in the United States of America. In the face of all this, the Nevada Republican Party and its Executive Board are actively fighting to respect, retain and regain our beleaguered Constitutional Rights.

Since we last met in April, the Nevada Republican Party and staff coordinated priorities and action with the Republican Caucuses to continue the fight against bad bills during the waning days of the virtual 2021 Legislative Session and lead an army of volunteers to participate in public testimony that influenced the scope and impact of many bills. Election Integrity, a focus of energy and action the first half of the year, is still a key priority and I, along with, National Committeewoman Fiore and Committeeman DeGraffenreid, are continuing to coordinate with the RNC and other states' leadership for actions that expose the fraud and drive reform – especially here in Nevada. The Battleborn Candidate College we've created is in full swing with over 40 participants already graduated and many more signed up to complete the program by year end. And lastly – but certainly not least – your Executive Director and Executive Board members have been meeting with the Leadership of each County Party for the R.I.S.E. Program. This program is based on County Party's unique plans and objectives for the 2022 election cycle specific State Party resource support opportunities are highlighted.

I am truly inspired and heartened with the progress we've made despite societal upheaval and am looking forward to our meeting in Winnemucca in October so we can discuss details. More importantly, let's Get Together and Turn the Tide! Energize! Galvanize! GET NEVADA **RED** AGAIN !

Attached is all the information that you need for the meeting, including times and locations, info on nominations, lodging info, etc. If you have any other questions, please contact us at info@nevadagop.org.

Sincerely looking forward to getting together again,

Michael J. McDonald

Chairman, Nevada Republican Party
