ARTICLE 10: VOTING AND PROXIES

1. All voting members who are present at a meeting of the NRCC or Executive Committee in person or by proxy shall have the right to vote on all matters coming before that body unless the proxy expressly states otherwise in writing.
2. Any voting member of the NRCC may assign a proxy for any regular or special meeting of the NRCC. A proxy form shall be included with the call to the meeting sent to each member. The proxy form for each meeting shall have a unique identifier.
3. Proxy forms must be properly filled out and must include the member's signature, the date or date and time when signed, and must designate a proxy holder by name or assign the proxy to "bearer" to be deemed valid and complete.
4. At each meeting, the Chairman shall instruct the Credentials Committee to examine all proxy forms, validate the signatures, and declare the names of those voting by proxy. Challenges to proxies shall be the first item of business.
5. No person shall exercise more than two (2) proxies.
6. The following rules shall govern to whom proxies may be assigned:
 - A. Current Nevada Constitutional Officers, Members of Congress representing Nevada, and Officers of the NVGOP may assign their proxy to any registered Republican Nevada elector.
 - B. Members of the Nevada Legislature may assign their proxy to any other Republican State Legislator or to any registered Republican Nevada elector residing within their legislative district.
 - C. Standing Committee Chairmen may assign their proxy to any other current member of the NRCC.
 - D. Members representing Republican organizations may assign their proxy only to a registered Republican Nevada elector who is also a member of that organization.
 - E. All other members of the NRCC may assign their proxy to any registered Republican Nevada elector that resides in the same county as that member.

Statement of Proxy Holder:

I declare under penalty of perjury under the laws of the State of Nevada that the individual listed above assigned this proxy to me as stated above:
