High School Graduates

EMMA CHANG

My name is Emma Chang, and I've just graduated from Fox Lane High School! This fall, I'll be going off to Vassar College, where I'll explore the fields of psychology and music or, more specifically, music business, production, or performance. I really enjoyed my time singing and playing violin at this church, and I hope to be able to continue contributing in the future.

LILY KIMBLE

A recent graduate of Fox Lane High School, Lily Kimble will be attending Skidmore College next fall, where she will be double majoring in Biology & Violin Performance. In her future, she hopes to go on to medical school and become a physician. She is grateful for all of the opportunities that the church has given her to do music, whether it be singing or playing violin.
