Spring Confirmation Schedule

The Absolute Basics of the Wesleyan Way

The spring classes focus specifically on understanding our Wesleyan and Methodist traditions through these 3 questions: Who was John Wesley?, What did Wesley teach?, and What do Wesleyans do? Students will learn about Wesley's life and teachings and how they continue to shape the way we understand and live out our faith today.

FEBRUARY 2027

21st - What was the young Wesley like? What happened at Aldersgate?

24th - What was Wesley like after Aldersgate? What did John Wesley do?

28th - What is the goal of the Christian life? What is repentance?

MARCH 2027

3rd - What is justification and new birth? What is sanctification?

7th - What is entire Sanctification? What are Sacraments?

10th - What are classes and bands? What happened after Wesley?

Our hope is that this year gives students a strong foundation in their faith, helps them understand what it means to be Wesleyan, and encourage them to take the next step in their relationship with Jesus.
