

Confirmation Schedule 2026-2027

A year of learning, growing, and discovering what it means to follow Jesus.

WHAT IS CONFIRMATION? Confirmation is a time for students to learn more about the Christian faith, grow in their relationship with God, and begin to take ownership of the faith they have been learning to live out. Throughout classes students will explore the basics of faith as well as our Wesleyan beliefs and history. Our hope is that Confirmation will not simply be a class and retreat that students complete, but a year that helps them take meaningful steps toward a lifelong relationship with Jesus and the church.
