Subject: Staffing Announcement

TO EVERYONE IN THE FOX40 NEWS DEPARTMENT

It is my pleasure to announce that Lisa Burger will be the new News Director at KTXL-TV/FOX40. Lisa comes to us from just down 99 where she is the News Director at the Nexstar operations in Fresno. Prior to Fresno, Lisa was Executive Producer and Brand Manager at KMGH(ABC) in Denver, Assistant News Director at KUSI in San Diego and started her career at KMPH in Fresno… the last role there being an Executive Producer. Lisa is a dedicated journalist and newsroom leader…having spent the past 3-plus years running TWO newsrooms/brands in Fresno. She is a member of several local boards and is a four-time Emmy nominee. I look forward to having her take the reins here at FOX40 and lead our newsroom in a continued positive trajectory.

Lisa will be joining us in about a month but will be here on some days leading up to the official start.

I want to thank Amy, Sergio, Charles, Krystal, Adam, and Malcolm for their leadership in the interim while the search was ongoing. I am planning to have a quick 4pm virtual meet-and-greet today with Lisa and the entire group. An invite for that will come out shortly.

Scot Chastain
