Hi Team

I am both happy and sad to announce that Rick Moll has decided to retire. After 40 years in the business (30 years as News Director), with six of those years at WSLS, he has had, without a doubt an incredibly successful and meaningful career. Rick has been an integral part of our station, a valued leader and a great counsel for me. We have been fortunate to have his knowledge, immeasurable work ethic and journalistic integrity in our newsroom, but now he is preparing to start an exciting new chapter of life and we couldn't be happier for him.

Rick will stay on through February. With that in mind, we will be posting the position next week and begin our search.

We will come up with a clever, CDC compliant, way to celebrate him, but in the meantime, I know you will join me in both thanking Rick for his many contributions and wishing him the very best.

Jaimie
