I'm very excited to announce Brad Hyatt is our new Assistant News Director.

Brad spent the last 6+ years as the News Director at WIS in Columbia, SC. Before that, he was an EP and producer at WBTV.

Brad is currently the president of the RTDNAC. (His signature is up on our awards wall)

Brad and his wife Ashley have two sons, Parker is 8 and Braden is 4. Plus, they'll be bringing their dog Maverick and cat Milo. That's a full house!

Brad's first day will be Monday, Feb. 10.

Please give him a warm welcome.

More to come...

Casey
