All,

After recent discussions, Tracey Watkowski and the station have decided to move in different directions.

As a long-time member of our team and a leading voice in the newsroom, she will be missed. Over the course of her career, Tracey has been a steady and respected leader and a thoughtful newsroom advocate. We are grateful for her contributions over the years, and we wish her nothing but the very best in her next chapter.

If you have any questions about work assignments, please talk to your manager.

Thanks,

David
