All—

Please join me in welcoming Maureen Jennings Caruso to our team!

Currently, Assistant News Director at WXIN/WTTV, Maureen will join us later this month as News Director.

A native Hoosier, Maureen graduated from Bishop Chatard and Ball State.

Her television career started in South Bend - after two stops in Chicago at CLTV and WGN, Maureen returned home to central Indiana.

In her eight years at WXIN, Maureen was an executive producer responsible for launching newscasts on WTTV. As Assistant News Director for both stations, Maureen oversees over 90 hours of news per week.

She is excited about our modular newscasts and understands they provide a competitive advantage for WRTV. Maureen and her husband Matt have a little girl named Adaline.

We have positive momentum and this move will only make us stronger – I am proud of our entire team and thankful for your commitment to WRTV.
