I am pleased to announce that Rebecca Pepin will be taking on a new role here at News 5 WCYB and Fox 39 WEMT, as Assistant News Director/Anchor.

Rebecca will be working closely the training, coaching, and mentoring our multimedia journalists, as they continue to learn, develop, and enhance their newsgathering skills on all platforms. Additionally, Rebecca will continue to anchor our 5 PM newscast

Rebecca began working at WCYB News 5Fox 39 WEMT in 2005, joining the team as the original WEMT Fox Tri-Cities 10 PM news anchor.

She came to WCYB/WEMT from Columbia, South Carolina where she was an anchor/reporter at NBC affiliate WIS-TV, and an adjunct journalism professor at the University of South Carolina. Rebecca enjoyed coaching and mentoring the communications and journalism students, which is something she will get to continue in her new role here at WCYB/WEMT.

Please join me in congratulating Rebecca on this new opportunity, as she approaches 20 years of service and dedication to our news organization.

Best to you,
Keith
