Dear FOX5 Team,

I am pleased to announce that Judy Greene has been selected as our next News Director, effective April 1, 2026, following Tom Bell's retirement.

With over 25 years of television journalism experience, Judy brings exceptional credentials to this role. As our Assistant News Director since 2017, she has been instrumental in shaping our newsroom's success, leading major initiatives including the launch of Vegas Hoy Spanish-language newscast, expansion of our remote producer model, and comprehensive digital expansion efforts.

Under Judy's leadership, we are confident that FOX5 will continue to set the standard for broadcast journalism in Nevada. Her vision for the newsroom—driving dominant breaking news coverage, fostering collaborative culture, and delivering exceptional service to our community across all platforms—aligns perfectly with FOX5's commitment to excellence.

Please join us in congratulating Judy on this well-deserved promotion.
