Subject: News Leadership Announcement

Tim Geraghty will be joining KSDK 5 On Your Side as our News Director, beginning **Monday, September 29, 2025**.

Tim brings over three decades of distinguished television news leadership experience to our newsroom. Most recently, he has been leading one of the top CBS affiliate newsrooms in the country at WKRC (Local 12) in Cincinnati, where he managed a team of nearly 90 people producing 56 hours of weekly programming across two channels. Under his leadership, WKRC became the leading website across Sinclair Broadcasting's portfolio.

Tim is a graduate of the University of Missouri's prestigious School of Journalism and currently serves on the RTDNA Ethics Committee and has been a member of the Radio Television Digital News Association since 1999. He has also served as a guest instructor at the Poynter Institute and was a board member and past chairman of the ABC News Director Advisory Board.

Tim will work closely with our existing leadership team, including **Assistant News Director Jacklynn Sylvester** and **Digital Director Tom Planchet**, to continue building on our strong foundation and drive KSDK forward. His proven track record of multi-platform content creation, team building, and digital innovation aligns perfectly with our commitment to serving the St. Louis community across all platforms.

Tim and his wife, Mary, have four daughters, one grandson and two granddaughters.

Please join us in welcoming Tim to the KSDK family when he begins on September 29. We look forward to the fresh perspective and extensive experience he will bring to our news operation.

Best,
Alicia
