Subject: NEW ASSISTANT NEWS DIRECTOR

I'm excited to let you know that Brent Bonfleur will be joining us as our new assistant news director. Brent comes to us from WDBJ, the Gray Media station in Roanoke, VA, where he's been the news director for the past two years. Prior to that, Brent was the news director at Gray's WDTV in Clarksburg, WV. Brent started his career as an intern at KLKN in Lincoln, NE where he worked his way up to become assistant news director.

Brent's background includes reporting, producing, and assignment desk work. I'm confident Brent has the skillset and management experience to help take us to the next level. Brent, his wife Rachel, and their five rescue dogs are looking forward to the move to New England. His first day with us will be November 3rd. Please join me in welcoming Brent to WFSB and Connecticut!
