It is with mixed emotions that I announce that Mike Garber our fearless News Director is leaving the Salt Lake City station group. The good news is that Mike is staying with the company and has been named the Director of Content for the evening expansion of The National Desk that is launching in the fall! I would like to thank Mike for his 4.2 years of excellent service to KUTV/KMYU/KJZZ.

Mike was instrumental in leading change in the newsroom and did a great job of leading our digitally focused news room effort that created record breaking digital engagement on all platforms.
In addition Mike launched the 4pm and 430 pm newscasts on KUTV, as well as the KJZZ morning effort from 7-9am, and the KJZZ 7pm and 9 pm newscasts. All of these newscasts are performing well and beat the competition on a regular basis, with KJZZ newscasts beating KTVX/ABC head to head every day. During Mike's tenure he has lead every one of our newscasts at one time or another to a #1 position.

Please join me in wishing Mike great success in his new endeavor as he departs for Washington D.C. sometime in the first part of June!
