Subject: GM and ND announcement

Good afternoon.

I am very pleased to announce **Brian Joyce**, vice president and general manager at KPAX in Missoula, Montana, has been named vice president and general manager for KMGH, effective Monday, May 8.

Brian has served as GM at KPAX since January 2021. Prior to that, he served as director of sales here at KMGH and at Scripps-owned KGUN in Tucson, Arizona. He has more than 20 years of experience in broadcasting including positions in news, programming and sports anchoring and reporting.

During his tenure at KPAX, Brian cultivated a culture of collaboration across all operational, financial and administrative areas, and maintained relationships with viewers and advertisers across the state of Montana. His career growth through several Scripps stations is a great example of the culture of employee growth and development we are cultivating at Scripps.

Also returning to KMGH is Emmy Award-winning **Megan Jurgemeyer**, most recently the news director at KUSA. Megan will step into the role of senior director of news, effective Monday, Aug. 14. Megan has served in ascending roles including managing editor and senior producer at KUSA since 2013.

Prior to KUSA, she spent three years as a news producer at KMGH.

Please join me in welcoming back Brian at a meeting today at 1:30 p.m. You should already have an invitation on your calendar.

You will have an opportunity to meet Megan at a later date.
