Hey team,

After 43 years in the business, it's time for me to step back and breathe. As some of you know I've been dealing with some serious health issues. I must focus on them and enjoy time with my growing family. I want to thank the love of my life Mary for being by my side through these years. We moved twelve times. She has been my rock through it all.

I've enjoyed my time with Sinclair. I joined the company in Dayton as News Director in 2016.

I came to WJLA in 2020 and my last responsibility here running the I-Team has been such a joy for me, producing stories that matter to the community and holding public officials accountable. I particularly want to thank Scott Taylor, Jacob Fisher and Trevor Taylor for their passionate commitment to producing this impactful investigative work.

It's been an honor to work with so many of you. Keep having each other's back. Remember digital is the future. Own it! You are in good hands with Jon Brady.

One of our two grandchildren lives here, so we plan to stay in the area. The mobile number you may have is my personal one, 917-583-1154. My email is kevinroach30@gmail.com. Keep in touch.

Peace out!

Kevin
