Rick

Thanks for reaching out. There has not been a note or email. But I notified TEGNA in July that I thought I was ready to retire. I will be working until New Years Eve. I am helping make the transition of my responsibilities to others in TEGNA. I cannot begin to thank TEGNA for nearly 44 years. I started in 1978 making $2.15/hour working in the studio, on a crew. I just loved it! So many people to thank and such incredible news memories.

I will always be a news junkie and watch/read news every day. I have a grandson now with another on the way so I think I am going to try to win Gammie of the Year! Otherwise, I will be exploring hobbies and new opportunities along the way.

Thanks for being a positive advocate for local news. It is needed now more than ever!

Be well,

PATTI DENNIS
