I've been meaning to drop you a line.

I wanted to say thank you.

It was thanks to an ad in your newsletter that I found the job where I wrapped up my career.

I was on the beach after leaving KTTV in LA. I responded to an ad for a Nexstar DC Bureau Chief, connected with Jerry Walsh, and found a very rewarding way to top off my 4-plus decades in the business.

I retired in December. It's unusual being on the outside. There's a bit of survivor's guilt as my former colleagues are awash in Trump 2.0. But they will thrive, and I will survive.

As a News Services guy at CBS Newspath and Nexstar, I've worked with so many of your readers over the years in one way or another. Thanks to all of them, it was a helluva ride.

Regards,

Bill
