Rick,

Thanks for reaching out.

In mid-market local television a person wears many hats. I am President of the W KY Media Division of PMG (PMG has 4 divisions operating more than 140 newspapers).

In that role I am President/GM of WPSD Local 6, Publisher of PMG's flagship newspaper The Paducah Sun as well as publisher of The Southern Illinoisan, The Metropolis Planet, Mayfield Messenger, The Benton Courier, The Herald Ledger, and The Princeton Times…-and a couple of magazines!

We have built a wonderful news organization and a powerhouse NBC affiliate.
