From: Valentine, Michael
Subject: Lorra announcement

Good afternoon everyone,

After over 21 years in Macon Lorra Lynch Jones has decided to begin another chapter in her life and is leaving WMAZ.

Her mark on the station, the community, and the people throughout TEGNA is undeniable. Not only is she an incredible leader, but she is also a mentor, confidant and a voice in the Macon community.

Lorra's impact goes beyond Macon, as she has recruited and hired so many across our company. All our newsrooms are better because of her.

Her last day will be August 7th. Please join me in congratulating her on her next journey, one that will no doubt be as impactful as her last.
