It is with great sadness to inform you that our beloved News Director Rod Jackson passed away today. Rod loved the staff here at WOWK and was proud of everyone whom he worked with both directly and in-directly. He always talked about how proud he was to be able to work with all of you.

Rod would want us all to be the news person he was and continue WOWK down the path of tremendous growth. He led us to Station of the Year, a feet no other News Director did at WOWK.

We will meet with each of you over the next few days. As we know more we will share it with you. Until then if you need anything please reach out to Kim, Tom, Teresa or me.

Please keep Rod's family in your prayers during this difficult time.

Sean
