Subject: Derek Rowles

As you are planning your Thanksgiving time with friends and family...I wanted to announce the promotion of Derek Rowles to News Director for WNCN CBS17. Derek's extensive career in broadcast with the most recent being assistant news director for WTVD here in Raleigh, has prepared him for this next step. We have been fortunate to see Derek @ work as assistant news director for the last year. Please join me in congratulating Derek.

Johnny
