I am excited to announce the promotion of Jennifer Dale to Vice President of Recruiting. As most of you know, Jennifer has been the News Director for WCSC for more than four years and just this year the station was honored with a regional Murrow for Overall Excellence and an IRE award for investigative reporting. Jennifer started her career as a producer and has extensive newsroom management experience having worked in Charleston, Johnson City, Columbus, Myrtle Beach, Mobile, and Dothan. She has hired employees at every level for newsrooms. Those of you who know Jennifer know she has a passion for news excellence that will serve us well in attracting the best and brightest to Gray. Jennifer will oversee the recruiting team of Lesley Van Ness, Dedrick Russell, Liz Zamora, and Christina Wilson. Lesley will continue as Director of Talent Acquisition. We appreciate all she has done in that role and know that will continue to grow in this new structure. Jen will transition to her new position effective July 11th. Please join me in congratulating Jennifer on her new position.
