Subject: NEW WYMT NEWS DIRECTOR

We are pleased to announce that Josh White will join WYMT as our News Director, beginning Monday, January 19. Josh brings more than 25 years of experience in television news, digital content and newsroom leadership to WYMT.

In his role at WYMT, Josh will oversee newsroom operations, editorial direction and our multi-platform news strategy. He brings extensive leadership experience, most recently serving as News Director at Gray Media's KAIT-TV in Jonesboro, Arkansas, where he led a 40-person news team, managed station branding across television, web and social platforms, and directed hiring, training and budgeting for the newsroom.

Josh has also served as Assistant News Director at WFIE-TV in Evansville, Indiana, and held on-air, production and leadership roles at multiple stations earlier in his career — including previous work at WYMT and WKYT in Lexington.

Since 2022, he has served as Marketing & Social Media Manager for Magic Monograms in Somerset.

Please join me in welcoming Josh back to WYMT. His deep newsroom experience, proven leadership and digital-first approach will strengthen our coverage and help WYMT better serve viewers across Eastern Kentucky.
