Please join me in congratulating Christie Barbour for her promotion to Executive Producer!

Christie has worked at FOX5 since 2015. In her time here, she has produced every day and night side newscast (with the exception of The DMV Zone) and helped get our 11pm newscast to #1!

Back in 2017 - Christie worked to develop and launch “The Final5.”

Prior to joining FOX5, Christie was a producer at WJLA-TV and WMAR-TV. She is a Maryland native and a UMD grad. Christie is an incredible producer, innovator and teacher. We look forward to her sharing those skills and growing our staff as a news manager.
