Subject: Sioux Falls News Director Opportunity

Hello All!

Our fabulous news director, Kevin King, is moving on after 14 years to join Dave Herrmann's great station in Wichita. So, we are in the market for a news director. Kevin set a high bar, so we need a real good one! 😊

If you are in a smaller market and have a news director ready to take the next step, or a larger or similar size market and you have an assistant news director, managing editor or executive producer who's ready to run their own shop, this would be a great opportunity for them!

For those of you who know Kevin, I know he would appreciate it if you reached out and congratulated him. And I would appreciate any referrals you might have! 😊

In the meantime, if I don't hear from you before then, I hope you all have a wonderful holiday season, and I'll see you all next month in Ft. Lauderdale!

Jim
