RE: News Director Announcement

It's been a long-time coming, but good things are worth waiting for here in Utah.

Today, I am thrilled to announce Nancy Bauer, as the next news director, leading our local content efforts in Salt Lake City. It was a team effort, as we collaborated to find just the right fit for Utah's First Television Station.

We needed a seasoned veteran to take us to the next level and we found just that. Bauer joins our local news operation with more than 25 years of experience running some of the largest local news operations in the country; including Los Angeles, San Diego, and Las Vegas.

She is fiercely competitive, has strong leaderships skills and values good relationships with the entire team. Nancy is married to her husband Dave. Together, they have a daughter in her second year of law school. And I can't forget Cassidy, their golden retriever, who I understand is itching to explore our Utah trails.

Please give a warm welcome to Nancy who will officially join Nexstar Nation here in Salt Lake City beginning Monday, September 19th.
