

Hi Rick...

I'm leaving KLKN-TV in Lincoln, NE (ABC affiliate) after six months. My wife suffered a major stroke In June so I'm returning to our home in Herrin, Illinois to care for her. I'll be leaving Lincoln in early August.

I took the KLKN job in February of this year. My wife Carol remained behind in Illinois so our daughter could finish her senior year of high school. Now Carol is the one who will need the care. She's been hospitalized since June 15th. It's a long recovery.

Kern Dant the GM at KLKN and Standard Media are very understanding and supportive in my decision.

I will announce my new job in a few weeks.

Best regards;

Mike Snuffer
