Subject: Exciting News: Welcoming Natalee Allen as Our New News Director!

Team,

I am thrilled to announce that we have hired a new News Director for Idaho News 6. Please join me in welcoming **Natalee Allen** to our team!

Natalee brings with her over 15 years of experience in the news industry, with expertise ranging from writing, producing, and anchoring to management. Her passion for public service is at the heart of her leadership style and her vision for the newsroom. She is excited to lead the team and help elevate our *Neighborhood News* brand to new heights.

This will be Natalee's second time with KIVI. She previously produced and anchored a morning show here from 2010 to 2012. Most recently, she served as the Assistant News Director at KTVB.

Natalee is deeply connected to the community, as she and her husband are raising their family in Boise and truly love calling it home!

Natalee's first day will be Monday, December 9th. During her onboarding process in the first few weeks, Keith has graciously agreed to assist with the transition before he assumes his new role as Scripps Newsroom AI Director.

Please join me in giving Natalee a warm welcome!

Sincerely,
Laurie
