Subject: Lesley Van Ness

It is with a very heavy heart that we share some devastating news with you. Lesley Van Ness, who we have been so fortunate to have as part of the Gray family, passed away this morning. Lesley had been on vacation with her beautiful family in Florida when she fell ill and was hospitalized last Thursday. Lesley and her husband Tom have two precious young boys. Please keep all of them in your prayers. We will keep everyone posted on arrangements.

Please respect the family's privacy for the next few days. For additional updates and information please follow their Caring Bridge page.
