It’s bittersweet news to share that I have resigned as News Director effective November 14th and accepted an opportunity outside of broadcast news and closer to family in Nashville.

The last four years recruiting and helping lead a terrific team have been a pleasure. I have great confidence that NewsChannel 9 will continue its legacy of great local news and service because of your efforts.

Yesterday’s annual First Responders event was evidence of that.

Thank you for all your hard work, effort and dedication.

Best to all,

Phil Buehler, MBA
News Director
