Subject: Thank You

Team:

Today will be my last day with NBC10 Boston / Telemundo Nueva Inglaterra /NECN, as I'm stepping down.

It has been nothing short of a professional honor and a privilege to lead this team over the past few years. We've seen a lot together: The move to the BMC, working through a pandemic, reporting on social justice issues on-air and taking an honest look at ourselves internally.

Leaving now that we've just wrapped up our successful Summer Olympics, and before the Super Bowl and Winter Olympics start in roughly six months, makes the most sense.

Thank you again for allowing me to lead you through some of the most turbulent times in our lives. I'll cherish the relationship I have with each of you, and I can't wait to see what all of you accomplish next.

All my best,

Ben
