The cruise line requires The Low Carb Cruise group to make a substantial upfront deposit on each cabin we want to reserve when the group is initially set up.

We hope to reserve our 2025 Low Carb Cruise Alaska group in November of 2023 (next month) when the new Alaska 2025 itineraries are announced.

We **do NOT** know what ship or what date we will be able to reserve yet. We are aiming for the end of May or first part of June 2025 (the dates we have always tried to keep our event within).

When you send $50 per person registration fee deposit (or $100 per cabin based on double occupancy) along with your preferred cabin category (Balcony, Ocean View or Interior) we'll make sure we have a cabin category reserved for you. We don't want to run out of any desired categories like we have for our 2024 cruise.

This $50 per person ($100 per cabin) 2025 Alaska registration fee deposit will be applied towards the $200 per person ($400 per cabin double occupancy) non-refundable registration fee which will be due at the time of your actual Alaska booking. A $500 per cabin (double occupancy) deposit will also be required by the cruise line to confirm your reservation when your actual reservation is made.

To reserve & guarantee your Alaska 2025 Low Carb Cruise spot – go to https://lowcarbcruise.com/alaska-2025/ to the REGISTER - ALASKA 2025 drop down tab.

Please provide your name, email, cell phone & click your desired cabin category (balcony, ocean view (window) or interior. Click Submit & it'll come straight to Debbie.

A note of your guarantee registration request will be recorded. This will make sure your cabin is booked prior to others who don't send in the pre-registration fee deposit.

THEN send $50 per person ($100 per cabin double occupancy) via VENMO to @Debra-Hubbs or via PAYPAL to ddhubbs@msn.com. Your registration request will not be firm until the funds are received.

PLEASE NOTE: THIS DOES NOT RESERVE YOUR CABIN. This just makes sure we reserve enough inventory for everyone's desired cabin category. You will still need to send in all your registration information to book your actual reservation when the 2025 Alaska Low Carb Cruise is open to book (which will be sometime in late November).

Also NOTE: This $50 per person 2025 Alaska Low Carb Cruise registration fee is non-refundable if you decide to not start or complete a reservation.

As always, never hesitate to ask if you have questions.
