Adopting a Pet

The Montgomery County Animal Care and Adoption Center adopts hundreds of dogs and cats into new homes every year!

If you are interested in adopting a new friend, stop in and meet some of the lovable animals we have available for adoption today.

Pets available for adoption are featured on Petfinder.com, Adoptapet.com, and our social media pages (mc.pet.adoption on Facebook and Instagram).

All animals adopted from the Animal Care and Adoption Center are spayed or neutered, vaccinated, and treated with preventatives before leaving for their new home. Each animal's adoption fee helps us offset this cost.

Adoption Fees

Cats - $60   Dogs - $80
Previously spayed/neutered - $25

Fostering Pets in Your Home

Not ready to adopt? Fostering is a great way to help the animals of the Animal Care and Adoption Center, without the long-term commitment.

Providing our animals shelter in your home helps keep them happier and healthier, while they await adoption. By being a part of our foster team, you get to help us adopt your foster pet into the perfect home.

You provide the love, we provide everything else you may need to care for your new foster friend!
