Installation Instructions

1 — ### *Joining a meeting*

Make sure you have a camera on your computer or phone before you download the application below.

- *Before joining a Zoom meeting on a computer or mobile device, you can download the ZOOM app from our [Download Center](). I suggest you download the app from the download center link before the scheduled meeting. Otherwise, you will be prompted to download and install Zoom when you click a join link.*

2 — ### *You should be at the Zoom [Download Center]()*

- *Zoom Client for Meetings - click on the blue download icon*

- *The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.*

3 — ### *Download file*

- *Download the ZoomInstaller.exe file. Click run to download*

4 — ### *Day of the book club*

- *A link to join the meeting will be sent to you on the morning of the book club. Click on the link to join the meeting. You should see yourself on the screen. On the bottom left side of your screen make sure audio/video has a green arrow. This will allow you to see all participants and hear them.*
