

The Collège Churchill Parent Advisory Committee is
pleased to present an evening with

DR. MARGO LANE

Teen Talk: Fostering Healthy Development through the Teen Years

Wednesday, March 8, 2017 7-8 pm

Churchill High School Library

The talk is free and open to parents, caregivers, family,
friends and anyone interested in adolescents today.

Dr. Margo Lane is a pediatrician at Children's Hospital where she spends much of her time caring for teenagers. Her work at the hospital includes providing physical and mental healthcare to teens and also training medical students and pediatricians and other staff about adolescents.
