

# BUILDING A STRONGER COMMUNITY THROUGH FINANCIAL EDUCATION

Let us bring financial education to you, with virtual lessons and online resources.

## VIRTUAL LESSONS FOR ALL AGES

### **CUSTOM LESSONS** (Any age/grade)

We offer lessons and resources on a wide variety of subjects, related to money management, entrepreneurship and economics. We are also happy to customize something to meet your needs, just ask.

### **REAL LIFE CHALLENGE GAME** (8th grade and up)

This fun, interactive, **VIRTUAL** game gives students a taste of the real world complete with an occupation, kids, and bills. They make the choices then see if their budgets match their needs and wants.

### **BIZ KID\$** (6th -10th grade)

From the producers of Bill Nye the Science Guy, this award-winning series teaches the basics of economics and entrepreneurship. Support materials include video clips, activities, and lesson plans.

### **NEFE'S H.S. FINANCIAL PLANNING PROGRAM**

For more than 25 years, the National Endowment for Financial Education has provided this free, award-winning program, complete with lesson plans, online resources, presentations, and more.

### **COLLEGE NIGHTS/FAFSA EVENTS**

Let us present virtually at your next event. Our Smart Start to College session is designed to help young adults make smart money moves before they leave the nest. We would also be happy to share some resources, including information on our **SCHOLARSHIP PROGRAM!**

### **IT'S A MONEY THING** (8th grade and up)

Let Jen and her friends keep students engaged with humor! Short, funny, animated videos paired with colorful handouts and presentations tackle important financial topics in a variety of ways.
