WHERE IS LITTLE OLE?

During the months of June, July and August, Little Ole went on an adventure visiting businesses within Douglas County! Each week, he visited a new business. Photo clues of where he was were released during the week on the Pride of the Lakes Facebook and Instagram pages. Everyone who guessed correctly went into a drawing for a chance to win a prize chosen by the business. The winners and business locations were released every Friday throughout the summer.

The goal of the 'Little Ole' campaign was to educate individuals on some local businesses and the products and services they offer. See listing to the right for where Little Ole traveled this summer:
