

Dear St. Alphonsus Families,

I wanted to talk with you today about our SCRIP program! This is an easy way to fundraise for school and also earn a rebate on your tuition! I asked our program coordinator, Vickie Major, to give you a little background on the program:

The program started slowly about 30 years ago. Parents would order gift cards from the coordinator and cards would be sent home the following week. There was a presence at church in the Community Room and parishioners supported the program as well. In fact, there were some years when the SCRIP program raised over \$20,000 that went toward the school budget!

Right now, there are about a dozen families who are actively taking advantage in the SCRIP program by purchasing grocery, gas and assorted gift cards. They would tell you it's so easy. Everything is in the RAISE RIGHT app on your phone. There are former school families and teachers who still support St. Al's by purchasing SCRIP!

I know many people use their credit cards for points, miles or cash. Quite a few vendors give much more in rebates than what you can get from your credit card! The frequent bonuses can also build up your tuition credit. Whatever you spend on SCRIP, you can earn 50% back as a tuition credit.

Why not give it a try? Start now to stockpile your tuition rebate for the year. Grandparents can help too! Some of the vendors are listed below, but you can see a full list of vendors on the [Raise Right app and website](#)—there are hundreds of brands to choose from!
