## TEAMS FORMING

### Why Junior Hilltoppers?

“Our philosophy is built around player development. *Cura Personalis* or care of the entire person is a value that is embedded in our program. We offer individualized attention to each player teaching them both the offensive and defensive sides of the game of football. This is accomplished with a distinct respect and appreciation for each player’s God-given gifts and talents and unique circumstances. All of our coaches are certified by USA Heads-Up Football to employ proper and safe teaching techniques to prevent unnecessary injury. Smaller team sizes are intentional so that all players get to experience game day on the field.”

– Coach Maz

### New this year – 5<sup>th</sup> Grade Rookie Tackle program.

Our CYFL League is following the USA Football and Olympic American Development Model (ADM) by implementing 5<sup>th</sup> Grade Rookie Tackle football.

#### Key Aspects of Rookie Tackle:

- Fosters Participation (8 players on the field)
- Players Rotate All Positions (Everyone is eligible to carry the ball)
- Smaller fields (1/2 the size)
- Increase Activities (More snaps, no special teams)
- More Coaching contact (Coaches are on the field)
