Youth Leadership is an 8 week program sponsored by
Toastmasters International, a non-profit educational organization founded in 1924.

Students from the 4th, 5th and 6th grade are invited to participate. Every session is run as a meeting with students conducting the entire session and presenting the program. Toastmasters International will provide a workbook. The materials and program are free. Youth Leadership will be a fun and safe environment where students can make mistakes, take risks and discover their potential. The last session on December 7th will be a special program for parents and guests.
