

Celebrating 30 Years OF BLACK PHILANTHROPY

Throughout 2024, United Way of Greater St. Louis proudly celebrated the 30th Anniversary of the Charmaine Chapman Leadership Society (CCS). Since its inception, CCS has raised over \$90 million and has grown to one of the leading and premier Black philanthropic programs for Black leaders in the country.

With members contributing \$1,000+ annually, CCS continues to strengthen our region and uplift lives. We are grateful for our 2024 members for your remarkable commitment to helping people live their best possible lives.

A sincere thank you to the 2024 Charmaine Chapman Leadership Society Chairs, Arica and Steven Harris, for your exceptional leadership and commitment to CCS.
