

Thank You

FOR UNITING WITH US!

HONORING LEADERSHIP.
CELEBRATING GENEROSITY.
INSPIRING IMPACT.

United Way of Greater St. Louis recognizes members of Charmaine Chapman Leadership Society (CCS) for their outstanding contribution and ongoing commitment to creating lasting change across our region.

For more than three decades, CCS has been a powerful force for good - lifting lives, strengthening communities,

and advancing a legacy of Black leadership in our region - becoming one of the premier Black Philanthropic programs in the country.

We extend our appreciation to the 2024-25 CCS Chairs, Arica and Steven Harris, for their leadership, dedication, and unwavering commitment to service.
