

# STOCKINGS FOR SOLDIERS 2021

## DONATIONS NEEDED BY NOVEMBER 19

Bucks IU students at Samuel Everitt (Levittown, PA), will be coordinating our sixth annual Stockings for Soldiers project. This project consists of collecting donations to fill stockings with snacks and activities to send to deployed military members over the holidays.

Not only does this project benefit our military members, but it benefits our students as well. For individuals with complex needs, the opportunity to practice social skills, sorting, organizing, taking inventory, and doing packaging all serve as great life-skills training.

## THIS YEAR'S GOAL IS 1500 STOCKINGS!

To do this, we need your help, and that of our community members and businesses. Please consider lending your support!
