Get ready to celebrate 25 years of leadership, community, and impact!

The Bedford County Chamber Foundation and Leadership Bedford County are marking our 25-year milestone anniversary with a day of fun, connection, and celebration.

Teams of LBC alumni, businesses, and friends are invited to compete in a spirited "Amazing Race"-style adventure, kicking off at the Chamber's historic Russell House at 4pm and "racing" around Bedford County on a journey full of fun challenges and special surprises. After the race (6pm) all are invited to reconnect at a lively networking mixer at the Brew Yard at Olde Bedford Brewing Company for food, non-alcoholic beverages & cash bar.

Whether you're racing, cheering, or simply enjoying the festivities, we invite you to join us to celebrate 25 years of building a leading community!

DETAILS:

- Amazing Race Teams will consist of no less than 3 and up to 6 people.
- Teams may pick up first race packet anytime between 4pm & 5pm at the Chamber Office.
- Complete the tasks in the first packet and follow instructions station 2 to confirm your actions and receive the next packet (there will be up to 5 stations/packets to complete.)
- When you've completed all tasks (or if/when you give up on the race) meet at the Brew Yard at Olde Bedford Brewing Co. (6pm) for a catered mixer, awards ceremony, and more.
 - Mixer-only tickets are also available (mixer is 6pm-8pm)
- *Leadership Bedford County Classes are encouraged to participate in any way they wish, but graduation from the program is not required to join in the fun — business and friends teams are also welcome!*
