**Circleville, Ohio-** Health Care Logistics, Inc. (HCL) recently completed their new 56,000 sf warehouse and sales floor at their national headquarters located in Circleville, OH. This project, costing several million dollars in local investment, will likely result in 65-80 new employees. Since 1978, HCL has been a health care industry leader specializing in manufacturing, packaging, and distributing unique and hard-to-find products with a strong emphasis on complete customer satisfaction. Beginning the business in his garage, Gary Sharpe has continued to build his business and now has numerous facilities in the Central Ohio Region. We are proud that Health Care Logistics, Inc. is part of our community!
