

IMPORTANT PICK UP INFORMATION:

If you are uncertain of the drop site you signed up for, or have any other questions, please call Jerry at 651-583-0705 or email jerry@w-e-i.org.

Drop site etiquette:

- Please plan to pick up your farm share every week at your drop site between the estimated delivery time (see below) and the drop-site's closing time that day - please see your drop site's website for their hours of operation. If you don't arrive by closing, your box may be forfeit. If you anticipate missing your pick up time, call your drop site.
- If there is a CSA sign off list available at your drop site, please initial by your name when you pick up your CSA share each week.
- All boxes have the same contents, please take the full contents of one box and flatten your box leaving it at the drop site. **Thank you for planning ahead by brining your own bags.**
- If you are sharing a box with someone, please do not leave partial boxes for the other person at the drop site, as they may be mistaken for a full box by another shareholder.

ANTICIPATED DELIVERY TIMES:

We are using this schedule for the first week and may have changes next week as we get used to the timing.
